DISCLAIMER

This Investor Presentation has been prepared by Ebix, Inc. (“Ebix”) for investors, solely for informational purposes.

The information contained herein has been prepared to assist prospective investors in making their own evaluation of the Company and does not purport to be all-inclusive or to contain all of the information a prospective or existing investor may desire. In all cases, interested parties should conduct their own investigation and analysis of the Company and the data set forth in this information. Ebix makes no representation or warranty as to the accuracy or completeness of this information and shall not have any liability for any representations (expressed or implied) regarding information contained in, or for any omissions from, this information or any other written or oral communications transmitted to the recipient in the course of its evaluation of the Company.

This Information includes certain statements and estimates provided by the Company with respect to the projected future performance of the Company. Such statements, estimates and projections reflect various assumptions by management concerning possible anticipated results, which assumptions may or may not be correct. No representations are made as to the accuracy of such statements, estimates or projections. Prospective investors will be expected to have conducted their own due diligence investigation regarding these and all other matters pertinent to investment in the Company.

This presentation may contain statements that are not historical facts, referred to as “forward looking statements.” The corporation's actual future results may differ materially from those suggested by such statements, depending on various factors including those described in filings made with the SEC.
EBIX MISSION

Ebix goal is to be the largest FinTech company in the world that can converge all Insurance and Finance services

CONVERGENCE

The company’s technology vision is to focus on convergence of all insurance and financial exchange channels, processes and entities for seamless data flow. The company intends to do that by designing products and services that are pioneering and at least a few years ahead of its competition. The company believes that profitability and revenue growth must go hand in hand.

With no competitors who can match the completeness of its vision or its distinct advantages, Ebix is ideally positioned to seize an enormous “green field” opportunity. Continually cited for the high quality of its offerings, Ebix has built an outstanding reputation amongst a large, impressive customer base. With a strong recurring Software as a Service (SaaS) model, Ebix is positioned to be a leading global FinTech player.

With an on-demand business model, that thrives on delivering end to end services to its customers worldwide, Ebix has achieved an operational consistency that is second to none. The company has been featured on the Fortune Magazine’s 100 Fastest Growing Company List 5 times in the last decade.
EXECUTIVE SUMMARY
ABOUT EBIX

Founded in 1976, Ebix, Inc. is listed on the NASDAQ Global Market & is a part of the Russell 2000 Index and Standard & Poor's Small Cap 600 Information Technology Index.

Ebix is a leading international supplier of on-demand infrastructure exchanges to the insurance, financial, and healthcare industries. In the Insurance sector, the Company’s main focus is to develop and deploy a wide variety of insurance and reinsurance exchanges on an on-demand basis, while also, providing Software-as-a-Service (“SaaS”) enterprise solutions in the area of CRM, front-end & back-end systems, outsourced administrative and risk compliance.

With a “Phygital” strategy that combines 260,000 physical distribution outlets in many Southeast Asian Nations (“ASEAN”) countries, to an Omni-channel online digital platform, the Company’s EbixCash Financial exchange portfolio encompasses leadership in areas of domestic & international money remittance, Forex, travel, pre-paid & gift cards, utility payments, lending etc., in an emerging country like India. The Company’s Forex Exchange has an approximate 70% market share of India’s airport Foreign Exchange business encompassing 25 international airports like Delhi, Mumbai, Bangalore, Chennai and Kolkata International airports, while conducting over 1 million transactions per annum. EbixCash, through its travel portal Via.com, is also one of Southeast Asia’s leading travel exchanges with over 110,000 distribution outlets and 8,000 corporate clients processing over 24.5 million transactions every year. For further details, visit www.ebixcash.com

With 50+ offices across Australia, Brazil, Canada, India, New Zealand, Singapore, US and UK, and a market capitalization of approximately $2.6 Billion, Ebix powers multiple exchanges across the world in the field of life, finance, health and property & casualty insurance while conducting in excess of $100 billion in insurance premiums annually on its platforms. Through its various SaaS-based software platforms, Ebix employs thousands of insurance and financial technology professionals to provide products, support and consultancy to thousands of customers across six continents. For more information, visit the Company’s website at www.ebix.com.

Ebix’s goal is to be the leading powerhouse of insurance and financial transactions in the world. The Company’s technology vision is to focus on the convergence of all channels, processes and entities in a manner such that data seamlessly flows once a data entry has initially been made. Ebix strives to work collaboratively with clients to develop innovative technology strategies and solutions that address specific business challenges and requirements. Ebix combines the newest technologies with its capabilities in consulting, systems design and integration, IT and business process outsourcing, applications software, and web and application hosting to meet the individual needs of organizations.

Ebix’s focus on quality has enabled its development unit in India to be awarded Level 5 status of the Carnegie Mellon Software Engineering Institute’s Capability Maturity Model Integrated (CMMI). With a ISO 27001-security certification, the Company also has a ISO 9001:2000 certification for both its development and BPO units in India.

Its vast customer base includes hundreds of banks, financial institutions, insurance companies and hundreds of thousands of brokers, in addition to 80 of the Fortune 500 corporate clients. This includes an impressive blue-chip account base consisting of the world’s largest and most respected financial institutions, banks and insurance companies.

In 2017, Ebix was named in Fortune’s 2017 100 Fastest-Growing Companies List. In 2012, Ebix was ranked as the 6th Fastest Growing Technology Company in America by Forbes Magazine. Ebix was also ranked 4th Fastest Growing Technology Company in 2011 by Fortune.
ABOUT EBIX

SUMMARY HIGHLIGHTS

Unique Differentiation Enhances Ebix’s Leadership Opportunity

Ebix’s exchanges power transactions between hundreds of thousands of brokers and insurance companies.

Ebix runs over 22 million compliant life policy illustrations and over 40 million life insurance quotes annually. Ebix’s annuity exchange powers in excess of $60 billion in premiums annually in the United States. Ebix Exchange in Australia powers the majority of the electronic property & casualty insurance transactions. Ebix’s On-Demand CRM solution is used by 125,000 plus users in the United States alone. With the aggregation of a large community of insurance companies and brokers on its exchanges, Ebix is seen as a vehicle to insurance markets by these entities. Companies not using Ebix exchanges risk losing access to the aggregated markets that Ebix could offer them access to.

Experienced Executive Management Team with Domain Expertise and Industry Recognition.

Ebix’s team includes subject matter and domain experts with a deep understanding of the insurance & finance industries spanning thousands of years of experience amongst them. Its infrastructure and experienced executive management team is highly capable of sustaining its leadership and developing Ebix into an even larger organization.

EbixCash is the new ‘Financial Services’ arm of Ebix that has started its journey from India

EbixCash is a phygital platform comprising of digital channel as well as physical network of more than 260,000 agent outlets across 5500 cities, processing more than US$7bn of transactions annually across payments, Forex and travel solutions.

Ebix provides a multi-national broker or carrier a common code base world-wide, unlike any other software player in the insurance industry that addresses these markets.

Ebix systems are multi-lingual, multi-currency and work in French, Portuguese, Spanish, Japanese, Chinese and English.

With fully owned offshore facilities in India, Ebix has the ability to reduce the cost structure of acquired companies and increase their efficiency.

Ebix’s centres in India have Carnegie Mellon’s highest CMMI Level 5 rating and that establishes the quality of Ebix’s operations to any of its prospective customers.
AIRPORT FOR INSURANCE AND FINANCE

BSE - EBIX JV
INSURANCE EXCHANGE
A PIONEERING VENTURE
(THE FIRST OF ITS KIND IN THE WORLD)

Goal is to convert 250,000+ outlets of EbixCash into insurance point of sale digital outlets
BSE - EBIX JV
INSURANCE EXCHANGE

- 2,50,000+ EbxCash outlets
- 500+ Sales Staff
- Presence in 5500+ CITIES, TOWNS AND VILLAGES
- Leadership in money transfer (domestic and international), Travel booking, prepaid and gift cards, utility bill payments etc.

- 5,000+ Mutual Fund Distributors
- 1500+ Broker members
- Financial aware network
- 24 Branches
Ebix has entered into a joint venture with Bombay Stock Exchange of India (BSE) to set-up of first of its own kind Insurance Exchange platform in India.

BSE was set-up in 1875 and is Asia’s first & world’s fastest Stock Exchange with a speed of 6 microseconds.

BSE has network of more than 1,500 stock brokers and 5,000 mutual fund distributors across India.

New venture has been branded as BSE-Ebix Insurance Exchange.

This will allow Insurance Carriers (both on life and non-life side) to sell life and non-life products through distribution network of BSE and EbixCash, which covers the entire depth and breadth of India comprising of population of over 1.3 billion.

Exchange platform will leverage Ebix’s end-to-end Insurance Exchange technology, and will encompass the entire insurance life cycle from customer relationship management, agency management, multi-quoting, underwriting, policy creation, claims filing & settlement, to back end insurance policy administration.
Idea is to reach out to the consumer in every nook and corner of India through last mile based small outlets.

To be able to write insurance business digitally on hand-held devices in minutes, by using Ebix’s end-to-end insurance technology expertise.
BSE - EBIX JV

INDIA IS AMONGST THE TOP 5 OUTBOUND TRAVEL MARKETS

The number of Indians traveling overseas is set to rise from 30 Million at present to 50 million by 2020.

Projected growth for the next 5 years will place India amongst the TOP 5 source markets for Leisure & Business Travel.

By 2030 India’s travel expenditure is expected to reach $91.2 Billion!!

India has witnessed a tremendous increase in outbound tourist growth during 2016.

These India weddings involve a few hundred people who travel to exotic destinations to celebrate an entire marriage ceremony, which, on average, spreads over three to four days.

Business travel spending is expected to rise by 6.6% pa to $32 Billion in 2025 and will place India into top 5 in business travel spending.

MICE and business travel is accounted for 32% of outbound travel, totaling 9.2 million trips. This is expected to increase by an estimated 62% by 2020.
